Hello Scott,

I have just gotten the go ahead on the City of Nampa transfer 72313 for water right 63-10428 (Fuller). There is just one small thing I need to clear up before I can advertise it. I need to know who signed the application and their position with the City. The signature is not legible and there is no office written with it. You can just email the name of the person that signed it and his title.

Thank you.

Dan,

The well proposed for Nampa's transfer is not the #13 well; it is an existing irrigation well, and therefore must be the Whitaker well you speak of.

Our office is sending the \$150 check. You should receive it soon.

Please let me know if there is anything further we can do on this one.

Thanks,
Scott
