Re: Water Right 86-2043

Dear Mrs. Norwood:

Thank you for notifying us of the Change in Water Right Ownership regarding the above referenced water right.

We are returning to you at this time, the paperwork that you submitted to our office concerning the Change of Ownership regarding Water Right No. 86-2043.

1. It appears that you want the ownership listed in your name only (**see Item 4 on the form you completed**). Please clarify this since both you and Gregory signed the form as new owners. If you want both names to appear on the water right, you will need to put Gregory's name on the line with yours and specify the name connector – "and", "or", "and/or". This must be checked immediately below the names in Item 4, if Gregory is also to be listed as an owner.
2. **ALSO – because this is now a "decreed" right**, there is a \$25.00 fee required in order for us to process the Change of Ownership. I have enclosed a copy of the updated form, and for your information have highlighted Item 2.A. regarding the appropriate **FILING FEE**. I am also enclosing a copy of the instructions highlighting Item 8 for your information. (**You do not need to fill out a new form, but the filing fee must accompany the ownership change on a decreed right.**)

Please make any notations necessary on the original form and return the paperwork to us together with your check or money order in the amount of \$25.00. We will then receipt the funds, and forward the paperwork on to our State Office for processing.

If you have any questions, please call me at 208-769-1450.

Sincerely,

Dianne Ball
Administrative Assistant
