RE: Telephone conversation

=====

Sandy Hazelbaker called today to follow-up on the pending ownership change for this file. During the conversation she mentioned that her dad, Homer Earl Hazelbaker, had a water right in his name.

I checked Info Search and found that decreed WR 85-10512 was in her dad's name and the legal description matches her deed.

It appears that the incorrect WR number was written on the O/C request form by AJ staff.

The ownership change is being processed under the correct WR number of 85-10512.
