RE: Water Rights Ownership for 85-10334

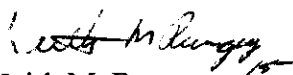

Dear Mr. Peppersack:

We have received our Water Rights Certificate for 85-10333, but not for 85-10334. We purchased this property from Vincil W. Hazelbaker and Annie Hazelbaker in May of 2000.

Why did we not receive the certificate for 85-10334? I have enclosed a copy of this item showing the decree date of 2000, yet it is still in the seller's name.

Please correct the name holder for this certificate and forward the certificate to the undersigned.

Thank you,

Keith M. Rumgay
