

MEMORANDUM

DATE: 1.20.2005
TO: File 84-10543 & 84-10544
FROM: KANDICE MCDERMOTT
RE: Ownership Change

Ownership change forms were received in June 2004 for the above listed two files. No files were in existence prior to this o/c. New files were made and it was discovered the water rights were already in the new owner's name. It was assumed AJ made the change previously, as there is no support documentation. The current documentation was placed in the file for support and a refund of \$75 was sent for overpayment.
