Re: Water Rights, Change of Ownership
No. 84-10390 & 84-10391

Following is the Quitclaim Deed prepared by our family that I hope will allow you to execute the Change of Ownership of the Water Rights mentioned above.

Per our phone conversation awhile back, you said you needed some sort of documentation so that the Change of Ownership did not have to be put in the 22 names that are listed on the original Deed (Doc #278624). We, the 22, have formed an LLC represented by three managing members (one per family) and we respectfully submit the following Quitclaim Deed. Please let me know if you need anything else.

Thank You,

Patti Freeman, Office Manager
