Subject: Note on your desk

Hey KariLynn,

Just thought I would add a little explanation to the change of address form I left on your desk. The deal is that our field examiners are collecting change of ownerships and address form when they are in the field. I don't always have time to open the file and dig them out when I get a stack of files dumped on my desk. The "date received" is the day I got the file back with that in it.

I have updated the contact record for the claimants on the SRBA claim. And by updating that contact record, it updated the closed records for 67-11572 and 67-11553. I don't know how the court handles the partial decrees on change of address, so I dropped it off to you. Let me know if you have any questions.... or suggestions.

Thanks,

Craig
