RE: Change in Ownership for Decreed Water Right 81-4126

Dear Mr. & Mrs. Bewley:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Evidence of Water Right Ownership:** signed/notarized copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question including legal description of property

The Warranty Deed you send is an unsigned copy and has not been notarized and is therefore of no use as support data. It is enclosed along with other miscellaneous escrow paperwork that does not meet the requirements for support data.

Because the Department cannot process the ownership change without proper documentation we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and your notice will not be processed.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely

Kari Lynn Townsend
Secretary
