**RE: APPLICATION FOR TRANSFER WATER RIGHTS 61-371A
AND 61-372**

Dear Mr. Jones:

I received your letter dated 7/21/2005 requesting additional time to provide the information needed to process the transfer on the above mentioned water rights. Where as you didn't state a specific time for the extension, I can only grant you an additional 30 days to provide the information needed. Therefore, if our office doesn't receive the needed information by 8/26/2005 the Department will issue a preliminary order to reject or deny the application.

If you have any questions or concerns please contact me at the above address.

Respectfully,

Daniel A. Nelson
Sr. Water Right Agent
