RE: Pre-conference hearing on Application for Transfer 71529-Montpelier
Irrigation Co.

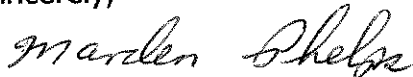

Sharla,

I am not sure what is involved with a pre-conference hearing. Where will we need to meet and who will need to be there? What time of day will the hearing be and how long do you expect it to take? I can arrange to meet almost anytime if I have a few days notice but many of the other directors are not as flexible.

I will not be available March 23 through March 28 or on April 11 and 21. Other than that I can make myself available. Randy Budge is our attorney and if you and he can find a time that works I will make arrangements to be available. If you would like to talk with me by phone I can be reached, during the day, at 847-0294 (Bear Lake High School) and in the evenings at 847-1292.

Our annual meeting is on April 11 and there may be changes in the membership of the Board of Directors and officers. If there were any way to get this completed by that date it would be very beneficial.

Sincerely,

Marden Phelps
President, Montpelier Irrigation Company

Warden
