CONDITIONS OF APPROVAL

1. Proof of application of water to beneficial use shall be submitted on or before **January 01, 2011**.
2. Subject to all prior water rights.
3. Domestic use is for a public recreation site, also known as the Diamondfield Jack Parking Area.
4. The domestic use authorized under this right shall not exceed 13,000 gallons per day.
5. The irrigation occurring under this domestic use shall not exceed 1/2 acre.
6. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 47-O.

State of Idaho
Department of Water Resources
Permit to Appropriate Water

NO. 47-17248

7. Upon specific notification by the Department, the right holder shall install a lockable device of a type acceptable to the Department in a manner that will provide the watermaster suitable control of the diversion.
8. Project construction shall commence within one year from the date of permit issuance and shall proceed diligently to completion unless it can be shown to the satisfaction of the Director of the Department of Water Resources that delays were due to circumstances over which the permit holder had no control.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 13th day of January, 2006.

for KARL J DREHER, Director
