RE: Applications for **Transfer No. 72041** (North of HWY 24) & **72042** (South of Hwy)

Gentlemen:

The Department of Water Resources acknowledges receipt of your applications. Please refer to the numbers in all correspondence regarding the above referenced applications.

This office has scheduled advertising your applications which will be published for two weeks. A period of ten calendar days following the second publication will be allowed for the submittal of protests. **(February 6, 2006)**

Since application No. 72042 proposes a change in County for the point of diversion, the legal notice will appear in both the Lincoln County Journal & South Idaho Press for 1/19 and 1/26/06. The legal notice for application No. 72041 will appear solely in the Lincoln County Journal on those dates.

If an application is protested, you will be sent a copy of the protest. The protest must be resolved before the application is approved or denied. If the protest is not resolved voluntarily, this Department will conduct a conference and/or hearing on the matter.

State Office personnel will conduct a complete review prior to final processing of the applications and will notify you regarding the outcome of this review.

Please feel free to contact this office if you have any questions regarding this procedure.

Sincerely,

Mary A. Baldwin
Administrative Assistant
