Ms. Cox:

The Upper Snake Field Office of the Bureau of Land Management would like to withdraw the protest that was filed on January 3, 2006 for the Application for Exchange of Water and/or Transfer No. 72272, Progressive Irrigation District and Idaho Irrigation District.

The land descriptions for this transfer that included federal public lands managed by the Upper Snake Field Office of the Bureau of Land Management were removed from the transfer application and our questions were answered.

We appreciate your help and cooperation in removing the public land from this transfer and answering our questions in a timely manner.

Sincerely,
Acting for Dan J. Kotansky
