Jeanie,

Sorry for the clerical error, you are correct it should be the SESESW as shown on the map and recorded in the partial decrees. Attached please find corrected pages.

Thanks,

Subject: Transfer 72334 - Gordon Luke

Hi Jason,

When I data entered this transfer, I noticed that one of the wells in Section 3 seemed to have a wrong 10-acre tract. The map and all of the partial decrees showed it in the SESESW but the application said it was in the SWSESW. This is almost ready for advertising but the State Office (Pam) said I should get a note from the applicant agreeing to the change. Can you take care of this? I thought if I called Mr. Luke, he'd just get confused. Perhaps just an email from you stating that the change is correct may suffice. Thanks, Jeanie
