Re: Beneficial Use Exams: Big Sky Partnership Permits 63-11513, 63-11514 & 63-9672
Don McFarland, Little Camas Prairie

Dear Chuck:

This office received your confirmation letter 2/1/05, stating that you have been retained by Mr. McFarland to perform the beneficial use exam for the above referenced permits. We appreciate your assistance in this matter. Please note that permit 63-9672 is also associated with Mr. McFarland's Camas Prairie project and requires a beneficial use exam. This right was not listed in your confirmation letter. The department will consider this omission an oversight and, unless notified otherwise, will assume that permit 63-9672 will be included in your evaluation.

Please submit the completed exams to me at IDWR's Western Regional Office by September 1, 2005. If the information is not timely submitted, the permits will be removed from the records of this agency. Thanks again for your assistance in this matter Chuck and please contact me at 208-334-2190 if you have any questions.

Sincerely,

Lori graves
Sr. Water Resource Agent
