address & telephoneRE: Approval for 2nd Drilling Permit - QQ LocationWants to drill 2nd well in JENG 533 per
d.p. 63-96-W-0334-000.However - that QQ not listed on amendment
appl. Driller setting up now - how proceed?I suggested:

- 1) Dept. shows amended appl. to add QQ as
pld site.
- 2) Fax to him for approval.
- 3) he faxes reply.
- 4) Can then give go ahead on drilling.
- 5) Followup with hard copies for file.

This is same idea as before except just
changes/adds a QQ. Does not appear to add
any "flags" & OK of site to drill.✓ Question - Does amending the Appl. require
another \$50⁰⁰ fee?NO per conv. with Jim Johnson
