ACTION OF THE DEPARTMENT OF WATER RESOURCES

This Permit is Approved Date May 29, 1996

If approved, this permit authorizes the construction or modification of a well subject to the following conditions. READ CAREFULLY!

GENERAL CONDITIONS:

1. This drilling permit is valid for two (2) months from the above approval date for the start of construction and is valid for one (1) year from the approval date for completion of the well unless an extension has been granted.
2. This permit does not constitute an approval of the District Health Department or the Idaho Department of Health and Welfare which may be required before construction of this well. All wells must be drilled a minimum distance of 100 feet from a drain field. Domestic and Public Water Supply wells must be drilled a minimum of 50 feet and 100 feet respectively from a septic tank.
3. The well shall be constructed by a driller currently licensed in the State of Idaho who must maintain a copy of the drilling permit at the drilling site.
4. Approval of this drilling permit does not authorize trespass on the land of another party.
5. This permit does not constitute other local, county, state or federal approvals which may be required for construction of a well.
6. This drilling permit does not represent a right to divert and use the water of the State of Idaho.
7. If a bottom hole temperature of 85° or greater is encountered, well construction shall cease and the well driller and the well owner shall contact the Department immediately.

SPECIFIC CONDITIONS:

8. Prior to any well construction activity, the owner or licensed well driller must confirm the $\frac{1}{4}$ - $\frac{1}{4}$ location within one of the sites designated on Attachment A by contacting IDWR.
9. Approved drilling permit has been requested with filing of Appl. of Amendment of Permit No. 63-11514. Any well drilled under this drilling permit cannot be used for diversion of water for a beneficial use in excess of I.C. § 42-111 ("domestic exemption") until IDWR approves the pending amendment of water right 63-11514.
