

## MEMORANDUM

**Date:** November 25, 2005  
**To:** Water Right File 22-7485  
**From:** Shelley Keen *SWK*  
**Re:** Place of Use

---

The number of irrigated acres on the draft license for Right 22-7485 differs slightly from the number recommended by the field examiner because ArcView GIS was used to draft the license, but it was not available for the field report.
