Hi Sharla:

Mailed a check today for the additional fees. Sorry about the miscalculation. Put 5 years in Line 7

Thanks for your help!

Best wishes for a happy holiday season and good health and spirit in the new year.

Randy

Randy, I am ready to data enter the (3) applications for permit for the above applicant. I have a couple of questions.

1. Did you get my letter requesting more money?
2. Line #7 on the application is not filled out. It must be filled out each time you submit an application. How many years does the applicant want to complete the project?

Thanks.
Sharla
