

NOTICE OF PROPOSED CHANGE
TO WATER RIGHTS

Notice is hereby given that two Applications for Transfer have been filed with the Idaho Department of Water Resources for changes to water rights within Twin Falls County. **JEFF M. & DAWN E. WENDLAND, 3378 N 3300 E; KIMBERLY ID 83341 filed Application No. 71169 on 4/7/05.** This application splits the water right and adds a point of diversion for the land owned by the applicants. It also reduces the place of use slightly to reflect the building of the Wendland home on land that was formerly irrigated. The land is located 3 1/4 mile south and 2 miles west of the Kimberly city center. **ROLAND R. & CAROLYN KING, 878 ROSEWOOD DRIVE; TWIN FALLS ID 83301 filed Application No. 71179 on 6/22/05.** This application proposes to add a point of diversion for the King portion of this water right, as the original diversion is inconvenient for the 1/3 of the right bought by the applicant. The new point of diversion is on the same water source as the original, but a little further upstream. Livestock drink from the stream, from a natural spring, or from Rock Creek. For specific details regarding an application, please contact IDWR Southern Regional Office at 208-736-3033 or visit www.idwr.idaho.gov with detail provided under "New Water Right Applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Protests against approval must be filed with IDWR, Southern Region, 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before January 9, 2006. The protestant must also send a copy of the protest to the applicant.
