FROM Jim, Southern

TO Licensing Clerk

SUBJECT Permit 37-7447, Robert C. Enyart

The attached field exam is for the above-referenced permit. The land under this permit is now owned and occupied by Caroline Stevens, ex-wife of the permit holder. She requested that a license on this right be issued as soon as possible to avoid difficulties with the permit holder over this right. She stated that Mr. Enyart had considerable animosity toward her due to their divorce, and that he might try to make trouble for her over the water right.

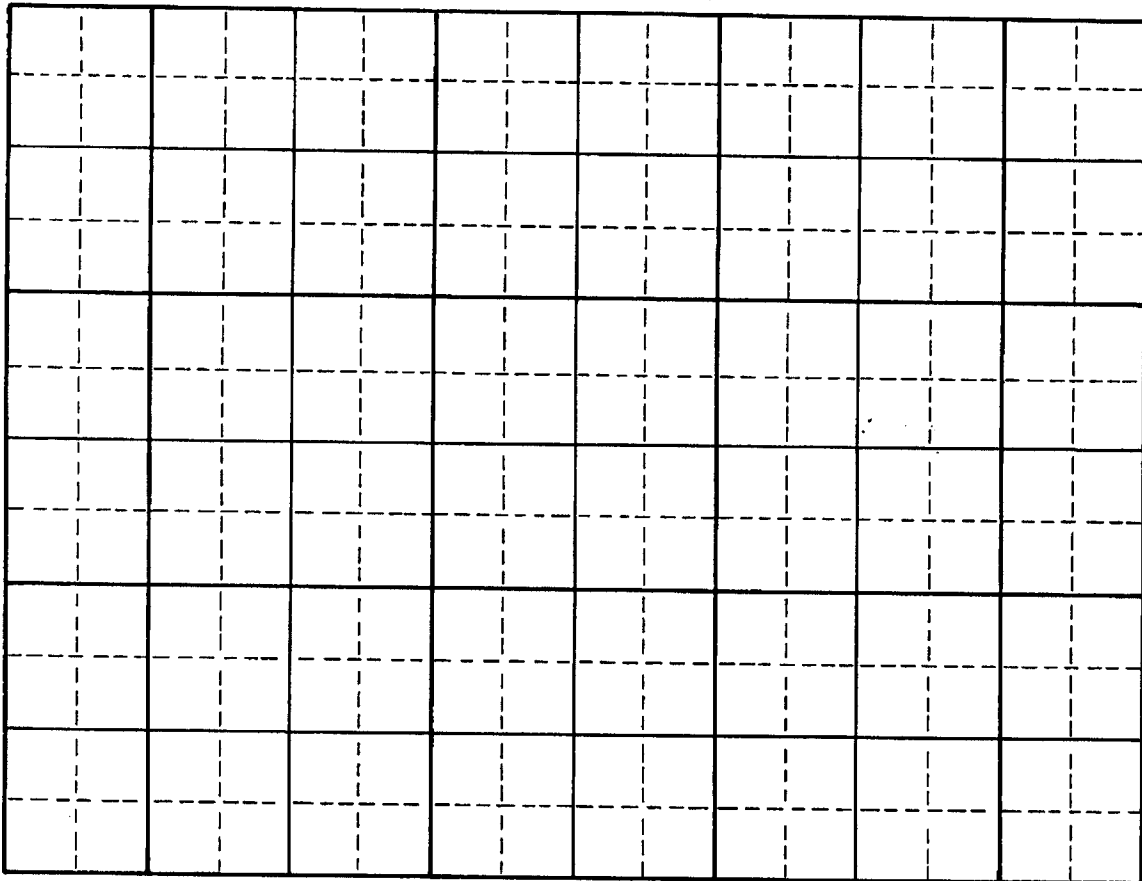

Therefore, I request that the license be granted as soon as possible, and that all correspondence concerning the right be sent to Ms. Stevens at P. O. Box 466, Gooding, Idaho, 83330.

Also request that measuring-device requirement be waived, as the amount measured with the pressure gauge does not warrant a measuring device. I think that the calculated flow was accurate, being nearly 1"/acre distributed by two ½-mile handlines. The sprinkler nozzles themselves served as an access port for the pressure gauge.

MICROFILMED
RE

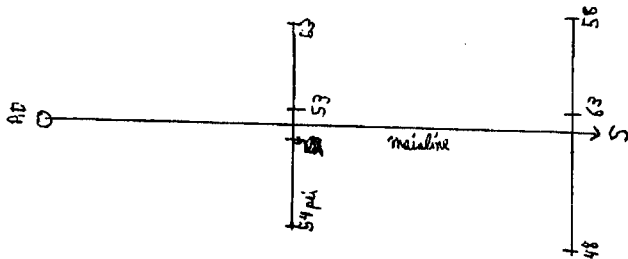

Remarks Property is now owned by Caroline Stevens (formerly the wife of permit holder).
Since the amount that can be licensed for 31 acres is less than 0.70 cfs, no measuring device would be required under present standards, because that measuring device requirement be waived.
