RE: Permit # 95-08924

Dear Karilynn:

Attached you will find the supporting documentation for our name change from Rathdrum Operating Partners LP to Rathdrum Power LLC.

This should satisfy our requirement to provide proof of name change for your system updates and to receive an update permit to reflect our correct name.

If you have any questions, or need more information please do not hesitate to contact me. I will be following up with a phone call on 11/11/05 if I have not heard from you earlier.

Thank you for all of your direction and support in this issue.

Respectfully,

Michell Remley
Compliance Supervisor
