RE: Permit No. 92-10020

Dear Mr. Case:

I have enclosed a revised permit document for Permit No. 92-10020. The revision changes the date that proof of beneficial use is due from December 1, 2005, to December 1, 2010. The revised permit, which supersedes the permit issued on December 9, 2005, is a modified preliminary orders issued by the Department of Water Resources pursuant to Rule 760 of the Department's Rules of Procedure. **Pursuant to Rule 730, a preliminary order can and will become a final order without further action of the department unless a party petitions for reconsideration or files an exception and/or brief as further described in the enclosed information sheet.**

As you requested, I am also enclosing an application for a stream channel alteration permit.

If you have any questions, please call me at (208) 287-4947.

Sincerely,

Shelley W. Keen
Water Rights Supervisor
