RE: Change of Ownership for Water Rights 34-398, 399, 861A, 868, 701, 10514
Assignment of Permit for Permit 34-13810

Dear Mrs. Talley:

As we discussed during our telephone conversation today, I am enclosing a partially completed Notice of Change in Water Right Ownership form so that you may sign it and return it to me. I have enclosed a return envelope for your convenience. There are six (6) water rights listed on the ownership change form and the filing fee is \$25.00 per water right or a total of \$150.00.

During my review of the paperwork that we have received for your ownership changes I realized that water right 34-13810 is still in the permit stage. Because of this, a different form is required to change the ownership. I have enclosed a partially completed Assignment of Permit form that will need to be signed by Mr. Roy Crawford and returned to our office with a \$25.00 filing fee.

You may wish to return all the forms at one time along with a check in the amount of \$175.00.

If you have any questions regarding this matter, please call me at 208-287-4952.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kari Lynn Townsend', is written over a horizontal line.
