RE: Change in Ownership for Water Right 47-12067 and 47-12068

Dear Mr. & Mrs. Nunes:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Evidence of Water Right Ownership:** copy of **Warranty Deed**, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

During our review of the documentation you submitted we found that the Warranty Deed is insufficient proof of your ownership of the property in question. The Warranty Deed conveys ownership of property, but it does not convey ownership to you. The grantee on the deed is shown to be Alliance Exchange Group, Inc. **We cannot process the ownership change until your names appear on the Warranty Deed as the grantees.** We have enclosed a copy of the Warranty Deed for your reference.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending its receipt. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-327-7941.

Sincerely,

E. Justin Aldridge
