RE: Change of Ownership for Water Right 47-11705 and 47-11707

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the changes in ownership and has enclosed computer-generated reports for your records. We have also enclosed various support documents we did not need to process your request.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

For Jeff Peppersack, Manager
Water Right Permits Section
