PROOF ACKNOWLEDGMENT LETTER

Re: Permit No. 21-7569

Dear Permit Holders:

The department acknowledges receipt of the proof of beneficial use ("proof") form submitted for the above-referenced permit. Enclosed is the original Request for Extension of Time you filed with the department on October 11, 2005. According to the proof and the pictures you provided, it appears that you have completed the pond as permitted, and I can return the request for extension.

The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use. I will forward the pictures you provided with the proof to the regional office to assist with the preparation of the field report.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov

Congratulations on the completion of your project! If you have questions about the field examination, please contact the **Eastern** Regional Office of the department in Idaho Falls at (208) 525-7161.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
