RE: Millenkamp/Application for Transfer No. 71604

Dear Pat:

As I have not heard back from you regarding my attempts to comply with the Department's Order dated August 23, 2005, which states that "On or before August 31, 2005, the parties, the expert witnesses, and the attorneys retained by all of the parties shall meet, either in person or telephonically", enclosed please find what I believe to be the information you requested concerning the Prescott water. If there is something more specific you are looking for, please let me know. Additionally, I did speak to Chuck Brockway this morning and he does have some time available to hold a telephone conference with your expert. However, as today is the deadline and Dr. Brockway's availability is limited, please contact me as soon as possible if you would like to set a time for a telephone conference.

Thank you for your attention to this matter.

Yours truly,

TIMOTHY J. STOVER
