RE: Millenkamp/Application for Transfer No. 71604

Dear Pat:

Please be advised that on August 25, 2005, we received the Order from the Department regarding the above transfer. On August 26, 2005, my secretary telephoned your secretary to inquire as to when we could set a meeting with the experts prior to August 31, 2005, pursuant to said Order. During that conversation, my secretary advised your secretary that I had a meeting with our expert at 2:00 p.m. on Monday, August 29, 2005, and asked if it would be possible to do a telephone conference at that time. Your secretary advised me that she would check with you and call our office back to let us know of possible available times for the meeting. To date, I have heard nothing from your office with regard to this matter. Although it is now too late to coordinate around my meeting with Brockway, upon receipt of this letter please contact me so that we can set a time for meeting with the experts as required by the Department's Order.

Thank you for your attention to this matter.

Yours truly,

TIMOTHY J. STOVER
