Re: Dry Creek Partners: Transfer, Amendment, and Relinquishment

Dear Allen,

Please find the following in the enclosed:

- Supporting Narrative for the following transfer, amendment of permit, and relinquishment of permit. In addition, a copy of a limiting power of attorney is also enclosed in order to facilitate any further correspondence appurtenant to these transactions.
- Application for Relinquishment of Permit: The application seeks to withdraw permit 37-8893.
- Application for Transfer of Water Right: The transfer seeks to reverse some of the effects of transfer 66912 (37-865A and 37-865B) by changing the place of use and the nature of use, and by updating the rights to reflect the current irrigation system.
- Application for Amendment of Permit: The application seeks to change the nature of use of permit 37-8894.

I have also included any other supporting documents regarding these applications and a check for a total of \$450.00 to cover the costs of the transfer. Please contact our office if any additional fees are required for the other applications. In addition, if you have any other questions regarding the enclosed documents, please feel free to give me a call.

Sincerely,

Daren T. Nelson, Hydrologist
