**RE: Saligao LLC - Application for Permit
Our File No.: 1302/030004**

Dear Allen:

Enclosed you will find an original and one copy of an Application for Permit in the name of Saligao LLC. This Application will serve two purposes. First, it will allow the use of a new well to be drilled on my client's property for domestic use in the event the subdivision's community water system fails or becomes inoperable for any reason.

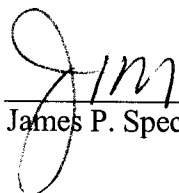

Second, there is an existing pond which straddles the mutual lot line shared by Lots 2 and 3A of the Subdivision. Most of this pond is on my client's property, Lot 3A. However, the only water right to fill that pond is owned by the neighbor. This Application seeks another water right to fill that pond which my client intends to use if and only if the neighbor does not properly maintain the pond level. I have had several discussions about this Application with Shelley Keen and am sending him a copy of this letter and the Application.

Please have your secretary receipt date stamp the copy and return it to me in the enclosed self-addressed, postage prepaid envelope. Please call me right away if you have any questions, or concerns about the Application.

Thank you.

Sincerely yours,
