RE: Permit No. 74-7002B

Dear Ms. Shiner:

Upon receipt of the Application for Amendment of Permit No. 74-7002B, it was determined that there was an error on the amendment form. The "Irrigation Storage" use should have been shown as 269.3 acre-feet rather than 300.0 acre-feet as listed on the form. The two reservoirs have a combined storage amount of 300.0 acre-feet. Right 74-7002A was licensed for 30.7 acre-feet leaving 269.3 acre-feet for this right. We have prepared a corrected amendment form for your signature so we can issue this license for the storage of 269.3 acre-feet.

Please sign the form and return it to our office within the next 14 days so we can complete the licensing process. I am sorry if this error has caused you any inconvenience. If you have any questions, please do not hesitate to contact me at (208)327-4953.

Sincerely,

A handwritten signature in black ink that reads "Kay Walker". The signature is fluid and cursive, with the first name "Kay" and last name "Walker" clearly distinguishable.
