RE: Water Right License No. 27-2156 Changed to 11-7546

Dear Water Right Holder:

The Department of Water Resources has changed the number of your water right license from 27-2156 to 11-7546. This is an administrative change to show that your water right is located within Administrative Basin 11, not Administrative Basin 27. Other than the number change, your water right has not been affected in any way. Please refer to the new number in any future correspondence with the Department of Water Resources about this water right.

I have enclosed a printout of the elements of the water right, including the new number.

Please call me at 208-287-4947 or email me at Shelley.Keen@idwr.idaho.gov if you have any questions or concerns about this action.

Sincerely,

Shelley W. Keen
Water Rights Supervisor
