Subject: Renumber 27-2156

Shelley water right 27-2156 needs to be renumbered. Some years back the Department moved the boundary line between basin 27 and basin 11 in the area of Conda, north of Soda Springs. This action resulted in several basin 27 licenses now being located in basin 11. 27-2156 is one of those licenses. Regrettably 27-2156 was included in the Director's Report for basin 27 before this problem was identified. I intend to send an amended director's report to the court disallowing the claim because it is outside the SRBA and would like to have the new number for tracking purposes.

Thanks
Ernie
