Department of Water Resources

RECOMMENDATION OF WATERMASTER

Application No: Transfer 71909
Water Right No: 36-2454D et al
Applicant Name: Dean and Ellen Stevenson

Watermaster's Recommendation:

- a) ☐ I do not oppose approval of this application
b) ☒ I do not oppose approval of this application if it is conditioned as follows:

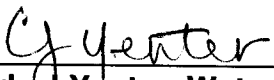

OK as drafted

- c) ☐ I oppose approval of this application(s) for the following reasons:
d) ☒ Additional comment:

TO wells are A0003716 and A0005496, both existing reporting wells within MVGWD. I note that both wells are using PCC measurement method and both have 3 or more operating conditions which might necessitate a change in measurement method. The use of the measurement condition with waiver is appropriate.
