RE: Change in Ownership for Water Right No. 51-7179, 51-10299, 51-10347, 51-2050, & 51-2105

Dear Mr. Gould:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- ☒ **Filing Fee** of \$25 per water right
- ☒ **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question
- ☒ **Legal Description of Property**

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. I have enclosed a copy of the water right(s) for your reference. Please provide our office with evidence of ownership for the highlighted portion of water right #51-10347.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will be an additional \$100.

Because the Department cannot process the ownership change without proper documentation & fees, we will hold any action on your notice pending receipt of the necessary information & fees. If we do not receive the necessary information & fees **within 30 days** we will return your notice and all attachments and your notice will not be processed.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kandice McDermott  
Records Analyst
