RE: Change of Ownership for Water Rights 29-11432 & 29-13354

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

We were unable to add Mary Thompson as owner of the water right, as the Warranty Deed provided shows only Craig Gates as the owner. In order to add Mary to the water right, the department will need a deed showing both Craig Gates and Mary Thompson as owners.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Kandi McDermott
for Jeff Peppersack, Manager
Water Right Permits Section
