Re: Permit 13-7127

Dear Tim:

Thanks for speaking with me last week and verifying that it was not my new client, Larry H. Miller Corporation, that precipitated your inquiries and your letter of November 12, 2002 referencing the above permit and Current Creek Reservoir.

Please understand that the Reservoir is on property owned by Larry H. Miller Corporation. The Miller Corporation is supportive of Mr. Bosen in his exercise of his rights as to Permit 13-7127 as he is entitled and obligated to operate the Reservoir to store in the November 1 – April 1 season and to beneficially use the water as provided in the permit.

If the Miller Corporation needs to verify this relationship in any way to facilitate the removal of obstacles to the use and perfection of permit 13-7127, please advise.

Respectfully,
Barker, Rosholt & Simpson, LLP
