ATTN ANNIE HOLMES
SOUTH IDAHO PRESS
230 E MAIN ST
BURLEY ID 83318

Dear Mrs. Holmes:

Enclosed you will find a legal notice which we wish to have published in your newspaper on the dates indicated (once a week for two consecutive weekly issues).

If you cannot publish the notice on the proposed dates, please contact us immediately at 736-3033.

An affidavit of publication must be submitted to the Department along with the publication bill. Your cooperation is appreciated.

Sincerely

Mary A. Baldwin
Administrative Assistant

NOTICE OF PROPOSED CHANGE TO WATER RIGHTS

Notice is hereby given that several Applications for Transfer have been filed with the Idaho Department of Water Resources for changes to water rights within Cassia & Minidoka Counties. **SUBLETT IRRIGATION CO, C/O ROLAND ZOLLINGER, 1513 S 3350 E; MALTA ID 83342 filed Application No. 72314** on 10/13/05. This transfer proposes to enlarge the service area of the Sublett Irrigation Company onto the SE1/4 of Section 10, T13S, R28E., B.M. These lands are adjacent to the existing service area of the company generally located 10 to 15 miles east and 1 mile north to 3 miles south of Malta, Idaho. The company owns and operates Sublett Reservoir located 17 miles east of Malta. **MOUNTAIN VIEW LAND LP, 719A E 700 N; RUPERT ID 83350** filed Application No. 72214 & Application No. 72217 on 6/3/05 and Amended the Applications on 8/24/05. **Application No. 72214** proposes to dry up farm land to provide additional water for expansion of the herd at the existing dairy. An additional well will be drilled at the dairy to provide a backup source as needed. The dairy is located about 8 miles northeast of Rupert and 1/2 mile east of Hwy. 24. The irrigation well is located 5 miles straight north of the new dairy well.

Application No. 72217 proposes to create a permissible place of use of all the land on this farm, with an annual irrigation limit of 199 acres. The other 65 allowable annual acres are being dried up in a companion transfer to provide water for a dairy expansion on other land owned by the applicants. The existing irrigation well will continue to be used on this property. The transfer will allow for maximum flexibility of water use on this farm. For specific details regarding an application, please contact IDWR Southern Regional Office at 208-736-3033 or visit www.idwr.idaho.gov with detail provided under "New Water Right Applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Protests against approval must be filed with IDWR, Southern Region, 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before December 19, 2005. The protestant must also send a copy of the protest to the applicant.

Karl J. Dreher, Director
