NOTICE OF PROPOSED CHANGE TO WATER RIGHTS

Notice is hereby given that an Application for Transfer has been filed with the Idaho Department of Water Resources for changes to water rights within Lincoln County. **DEAN F. & ELLEN W. STEVENSON, 575 W 600 N; PAUL ID 83347 filed Application No. 71909 on 4/22/2004.** A previous transfer moved water from 98 acres on the Stevenson farm to land owned by Steve Young due to a lease arrangement. The lease has now ended, so the water is being moved back to the original property. The two existing wells on the Stevenson farm will again provide water for all of his original acres. The farm is located 17 miles north of Rupert and 4-6 miles west of Meridian Road (about 5 miles NW of Norland). The To and From wells appear to be in the same cell of the Snake River Effects Model, or very close to it, so no mitigation plan has been requested by IDWR or proposed by the applicants. For specific details regarding an application, please contact IDWR Southern Regional Office at 208-736-3033 or visit www.idwr.idaho.gov with detail provided under "New Water Right Applications". Protests may be submitted based on the criteria of Sec 42-222, Idaho Code. Protests against approval must be filed with IDWR, Southern Region, 1341 Fillmore St.-Suite 200; Twin Falls, ID 83301 with a protest fee of \$25.00 for each application on or before November 14, 2005. The protestant must also send a copy of the protest to the applicant.
