Shelley,

The draft permit, with the revised conditions as compared to the stipulation, is acceptable to the protestants. Please let me know if you need anything else.

Thanks,

Shelley, You are probably correct; it appears Darrin's email was intende
for me. But, as you can see, he is satisfied with the draft you sent.
That input is what I was waiting for before responding to you, so you
know our response. I think Travis also indicated his clients'
concurrence, so we will appreciate your further kind attention. Thank
you for your promptness; we appreciate it. Kent
