RE: Change of Ownership for Water Rights 25-10410 & 25-10004

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the changes in ownership and has enclosed computer-generated reports for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Water Right 25-4026 is still pending in Adjudication therefore no fee is required. I have requested a \$25.00 refund please allow four to six weeks.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

For Jeff Peppersack, Manager  
Water Right Permits Section
