INSTRUCTIONS

This form has been prepared to assist persons having a security interest in a water right to request notification from the Department of Water Resources (IDWR) regarding any change in ownership of the water right or of any proposed or final action to amend, transfer or otherwise modify the water right as provided in Section 42-248(6), **Idaho Code**. The filing of a request for notification is a voluntary action by the holder of the security interest and is not required by law.

1. Please enter the water right or adjudication claim number(s) at **Item 1**. If you believe there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at **Item 2** is required, since IDWR cannot process the request without documentation of a security interest. Common types of documentation are shown.
3. The name, mailing address, and telephone number of the person or company desiring notification is entered at **Item 3**.
4. At **Item 4**, please provide the name of the owner/claimant of the water right(s) listed.
5. At **Item 5**, please enter expiration date of the security interest or other date defining the end of the period for which notification is requested. The notification period can be renewed by completing a new form with the appropriate fees as shown below. If the security interest is terminated prior to the expiration date requested, the holder must notify IDWR within 60 days of termination.
6. At **Item 6**, please indicate if this is a renewal of a prior notice.
7. The person(s) desiring notification must sign the form in the space(s) provided at **Item 7**. For corporations or other organizations, the person signing must be an officer of the corporation or otherwise have authority to sign for the organization and must include their title with the signature.
8. Include the appropriate filing fee. There is a fee of \$25.00 per water right or adjudication claim. Renewals, if necessary, are also \$25.00 per water right or adjudication claim.
9. When complete, you should retain a copy and return the completed original form to the IDWR office nearest you:
