RE: Amended Application for Permit 34-13838

Dear Mr. Smith:

Your letter request dated May 17, 2005, to advertise the Amended Application for Permit filed on behalf of Antelope Valley Ranch LLC, has been completed. The advertisement dates were June 2 and 9, 2005, with the protest date of June 20, 2005.

Even though there were no protests for the Amended Application for Permit, the protests from the original Application for Permit still remain. The "Amended Application for Permit" did not address the protests from the original application.

This file will be placed back into the Protest drawer at our office until the protests have been addressed or you or the protestant withdraw the application and / or protests.

If you have any questions, please feel free to contact this office.

Sincerely,

W Roger Warner
Water Rights Supervisor
