Dear Kara:

It was like pulling teeth
to finally get these rounded up -
But here they are!

If you need more proof,
let me know - I will get it for
you as soon as I get down
to Weiser (moved for the winter)

I am almost snowed in here -
& it is snowing again tonight -
and I need to go to Weiser tomorrow
darn!

Could you send me a finalized copy
when it is corrected?

Thank you sooo much!!

Loraine Carr

What do I need to do to have
Tom's name removed from the rest
of the water rights papers?
