RE: Change in Ownership Water Right No. 63-19787

Dear Mr. & Mrs. Weathers:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X **Signature**
 X **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

The Warranty Deed submitted as evidence of ownership gives title to Karen Arredondo-Moore. Because this is different from the names you've requested be shown as ownership, we will need either evidence of ownership by Kenneth and Karen Weathers, or we will need a signature from Karen Arredondo-Moore in order to make the change into her name. Enclosed is a copy of the ownership change submitted should you decide to affix the additional signature. Otherwise, you may forward new evidence of ownership to our office for review.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have questions, please contact Kari Lynn Townsend at 208-287-4952.

Sincerely,

Kandice L McDermott
Records Analyst
