RE: Change in Ownership for Water Right No. 63-10193

Dear Water Right Holder(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership filed in May 2000. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

- X **Evidence of Water Right Ownership:** copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. The legal description on the Warranty Deed you provided does not match the entire place of use for the water right indicated in your notice. Please provide our office with additional evidence of ownership for the missing portions of property. Enclosed is a computer report of the water right with the missing portion highlighted.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information **within 30 days** we will return your notice and all attachments and your notice will not be processed.

If you have questions, please contact Kari Lynn Townsend at 208-287-4952.

Sincerely,
