RE: App For Permit 43-13419

Dear Bruce;

Enclosed is a computer-generated application for your proposed stockwater development. Please have all four applicants sign on the last page (use any available space) before returning the application to me for processing. If you find any errors on the application, feel free to correct them; I was not sure of the correct mailing address for Celia. The filing fee that you paid for Transfer Application 71538 has been transferred to the app for permit.

In order to get the transfer withdrawn, Mark & Lonna need to sign the enclosed form before a notary before returning it to me for processing. Since the BLM did not sign the transfer, their signature is not needed on the withdrawal form.

Regards,

James E. Stanton
Sr. Water Resource Agent
