RE: Water Right 36-8083

Dear Mrs. Tews :

The Department of Water Resources has received and processed your notice indicating that you have abandoned the irrigation portion of Water Right No. 36-8083. In accordance with your wishes, your water right record has been altered to show that it is for domestic use only. The irrigation under your domestic water right is limited to half an acre. I have enclosed a printout of your water right as it now appears in the water rights database.

If you have any questions, please call me at 208-287-4947, or email me at shelley.keen@idwr.idaho.gov.

Sincerely,

A handwritten signature in black ink that reads "Shelley W. Keen". The signature is written in a cursive, flowing style.
