RE: Water Right Nos. 67-10702, 67-11429 & 67-11429

Dear Mr. & Mrs. Armacost:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The Corporate Warranty Deed that the Department of Water Resources received on 6/16/2005 is the correct Warranty Deed. The Warranty Deed is considered invalid because it is not signed and notarized. Please send a signed, notarized copy of the Corporate Warranty Deed to the Department of Water Resources. We will then be able to process your Ownership Change. Thank you for all your help.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call Kara Alder at 208-287-4944

Sincerely,
